presses, or by the lorging or lifegal use of postage stamps, are under the supervision of this office, and should be reported to it. All communications respecting lost money, letters, mail depreda-tions, or other violations of law, or mail-locks and keys, should be di-rected. (Chief Clerk, Post Office Bepartment.)
All registers of the arrivals and departures of the mails, certificates of the service of route agents, reports of mail failures, applications for blank registers, and reports of failures, and all complaints against contractors for irregular or imperfect service, should be directed. In

The Navy Department consists of the Navy Department proper, being the office of the Secretary and of five bureaus attached thereto, viz: Bureau of Navy-yards and Docks, Bureau of Construction, Equipment, and Repair, Bureau of Provisions and Clothing, Bureau of Ordinance and Hydrography, and the Bureau of Medicine and Surgery.

The following is a statement of the duties of each of these offices and of the force employed therein:

of the force employed therein:

Servicary's Office.—Hon. Issue Toucey, Secretary of the Navy; Charles
W. Wodsh, esq., chief clerk, and seleven clerks. The Secretary of the
Navy has charge of everything connected with the muxal establishment, and the execution of all laws relating thereto is intrasted to him,
under the general direction of the Prosident of the United States, who,
by the constitution, is commander of squadrons and commanders of
vessels, all orders of officers, commissions of officers both in the
navy and marine corps, appointments of commissioned and warrant
officers, orders for the cultisment and discharge of seamen, emanate
from the Secretary's office. All the duties of the different bureaus are
performed under the authority of the Secretary, and their orders are
considered as emanating from bim. The general superintendence of
the marine corps forms, also, a part of the duties of the Secretary, and
all the orders of the commandant of that corps should be approved by
him.

Burens of Navy Fards and Docks.—Commodore Jesseph Smith, chief of the bureau, Bur clerks, one civil engineer, and one draughtman. All the mavy yards, and everything immediately connected with them, are under the superintendence of this bureau. It is also charged with the management of the Naval Asylum.

management of the Naval Asylum.

Bureau of Construction, Equipment, and Repair.—John Lenthall, esq., chief of the bureau, eight clerks, and one draughtaman. The office of the engineer-in-chief of the navy [naniel B. Martin, esq., is attached to this bureau, who is assisted by three assistant engineers. This bureau has charge of the building and repairs of all vessels with their equipments, as sails, anchore, water-tanks, &c. The engineer-in-chief superintends are construction of all marine steam engines for the navy, and, with the approval of the Secretary, decides upon plans for their construction.

Bureau of Precisions and Clothing.—H. Bridge, purser United States navy, chief of bureau, and four clerks. All provisions for the use of the navy, and clothing, together with the making of contracts for furnishing the same, come under the charge of this bureau.

nishing the same, come under the charge of this bureau.

Bureau of Ordinance and Hydrography.—Capt. Duncan Ingraham, chief of bureau, four cierks, and one draughtsman. This bureau has charge of all ordinance and ordinance stores, the manufacture or purchase of camon, guns, powder, shot, shells, &c., and the equipment of vensche-of-war, with everything connected therewith. It also provides them with maps, charts, chronometers, barometers, &c., to gether with such books as are furnished ships-of-war. "The United States Navai Guiser-vatory and Hydrographical Office" at Washington, and the Navai Academy at Annapolis, are also under the general superintensience of the chief of this bureau.

Bureau of Medicine and Surgery.—Dr. William Whelan, surgeon United States navy, chief of bureau; one pussed as eletant surgeon United States navy, and two clerks. Everything relating to medicines and medical states, treatment of sick and wounded, and management of basepitals, comes within the superintendence of this bureau.

Hon. J. B. Floyd, Secretary of War; W. R. Drinkard, chief clerk,

Engineer Office.—General Joseph G. Totten, chief engineer; appain H. G. Wright; five clerks and one measurer.

Tapographical Bureau...Col. J. J. Abert, calonel of the corps; as tant, Captain J. C. Woodruff; four clerks and one messenger.

N ACT of Congress, approved 3d March, 1857

8. Each bid must be guarantied by two or more responsible persons satisfactory to the Postmaster General. General guarantees cannot be admitted. The bid and guarantee should be signed pishily with the full name of each person.

9. The department reserves the right to reject any bid which may be deemed extravagant, and also the bids of falling contractors and bidders.

The bid should be scaled; superscribed "Mail proposed route to California," addressed "Second Assistant Post

land route to California," addressed "Second Assistant Postmaster General," Contract Office.

11. A medification of a bid in any of its essential terms is tantamount to a new lad, and cannot be received, so as to interfere with a requiar competition, after the last hour set for receiving bids.

12. Postmasters are to be careful not to certify the sufficiency of guarantors or surcies without knowing that they are persons of sufficient responsibility; and all bidders, guarantors, and surveies are distinctly positive that on a failure to enter into or perform the contracts for the service proposed for in the accepted bids, their legal liabilities will be enforced against them.

13. Present contractors, and persons known at the department, must, equally with others, procure guarantors and certificates of their sufficiency substantially in the forms above prescribed. The certificates of sufficiency must be signed by a postmaster, or by a judge of a court of record.

raci. Sec. 27. Act of July 2, 1836, liabilities of guaranters. Sec. 24. Act of July 2, 1836, authorizing bids of failing contractors to

be rejected.

Sec. 28. Act of July 2, 1836, in relation to combinations amongst bid-Act of April 23, 1868, provides that no member of Congress can be a

Act of April 21, 1808, provides that no member of congress can see a contractor.

Sec. 42. Act of March 3, 1825, provides that no postmaster, assistant postmaster, or clerk in a post offsee, shall be a contractor.

Sec. 7. Act of March 3, 1825, provides that no other than a free white make person shall be engloyed in carrying the mail.

The Postmaster General will reserve to himself the right of annulling any contract made under the above act whenever he shall discover that the same, or any part of it, is offered for sale in the market, for the purpose of speculation; and he will in no cases sanction a transfer of the same, in whole or in part, to any assigner or sub-contractor to see qualified, in his opinion, than the original contractor to carry the same into successful operation.

Select Classical School at Oxford, North Caro-

INCE the establishment of this school in January, 1881, by the present principal, James H. Horner, A. M., it has received a large and steadily increasing measure of the public favor, as attested by an extensive patronage from abroad and its annual delegation of matriculates to the University at Chapel Hill. Heremust delegation of matriculates to the University at Chapel Hill. Hereafter it will be conducted under the joint supervision of Mr. Horner
and Professor A. G. Brown, late of the said University, who has been
many years a teacher of the ancient classics in that institution. Bev.
I. J. Horner will continue to be an assistant instructor, and others well
qualified for the office appointed as occasion may require.

The plan of studies is designed to prepare young men for advanced
classes in college, and also to fit those who may not expect or desire to
obtain the benefit of a fall collegistic course for respectable stations in
life by instruction in the ordinary branches of a sound English edocation. For the sake of the greatest efficiency, the number of classes
will be limited, so that ample time may be devoted to examination and
lecture upon the subject of every lesson by each instructor in his own
department.

May 10, 1857.

SEALED PROPOSALS, endorsed "Proposals for Improvements at Ella's Island, New York," will be received at this office until noos on the 1st day of June next.

Bidders are referred to the commandant of the may yard, New York, for plane and specifications of the work; to be completed within six (6) months from date of contract. Approved guarantors to the offer, and sureties to the contract, as cording to law, will be required.
